ICPM 15 - 2027:

Shaping the Future of Pharmacy and Medicine.

The International Exhibition of Pharmacy and Medicine (ICPM) returns for its 15th edition in 2027! This grand event will be hosted at the prestigious Sharjah Research Technology and Innovation Park (SRTIP), Sharjah, UAE. ICPM has earned its place as one of the largest pharmaceutical and medical gatherings in the UAE, bringing together experts, businesses, and innovators from across the globe.

Over the years, ICPM has grown exponentially, previously hosted in prominent cities across the UAE, now returning with a promise to offer unparalleled networking and learning opportunities. Join industry leaders, innovators, and researchers for a cutting-edge experience.

About ICPM & Its Legacy

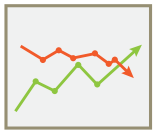

The International Conference of Pharmacy & Exhibition Event is UAE's one of the most functionally important Pharmaceutical & Healthcare exhibition. ICPM was founded in 2017. Over the years, ICPM has grown exponentially, previously hosted in prominent cities across the UAE, now returning with a promise to offer unparalleled networking and learning opportunities.

Join industry leaders, innovators, and researchers for a cutting-edge experience. Every year under the ICPM platform healthcare, pharmaceutical, bio technical, universities professionals and many more decision makers, congregate to engage in dialogue, building up new partnerships and to do business, identify solutions and strategies that will reshape the GCC/Middle East Pharma and Healthcare Sector.
